SILENT AUCTION!

Who is the New Jersey Green Industry Council?

NJGIC

- Works to create a regulatory and political environment that benefits the green industry.
- Educates and informs when activist groups use public concern to promote emotional, unfounded attacks against lawn care companies, arborists, golf courses and other professionals in the green industry.
- Gives green industry professionals a voice in regulations impacting day-to-day operations.
- Collaborates with other associations, industry professionals, lobbyists and state politicians to create a positive regulatory environment.
- Stays committed to combating legislative initiatives that negatively impact New Jersey's green businesses.

Do your part to get involved by donating to the Green Industry Silent Auction

- Silent Auction will be held at the New Jersey Turfgrass Association Green Expo in Atlantic City, December 9 -11, 2009.
- Donate products or services for auction on the trade show floor. All items big or small are welcome!
- By donating to the silent auction you help raise money to build awareness on key issues affecting the future of the green industry in New Jersey.

Benefits of donating to the Silent Auction:

Your donation will...

- provide exposure of your company to over 1000 attendees
- provide an opportunity for people to try your product (s) or service (s)
- give your company recognition as a supporter of the Green Industry
- help NJGIC keep your voice heard in Trenton
- secure an avenue of outreach and education on legislative and regulatory issues

We thank you!
